

LOGGER SOLE

Vibram® Style #109

Logger

The Vibram® Logger sole is a composition blocker for use on outdoor/work footwear.

Design

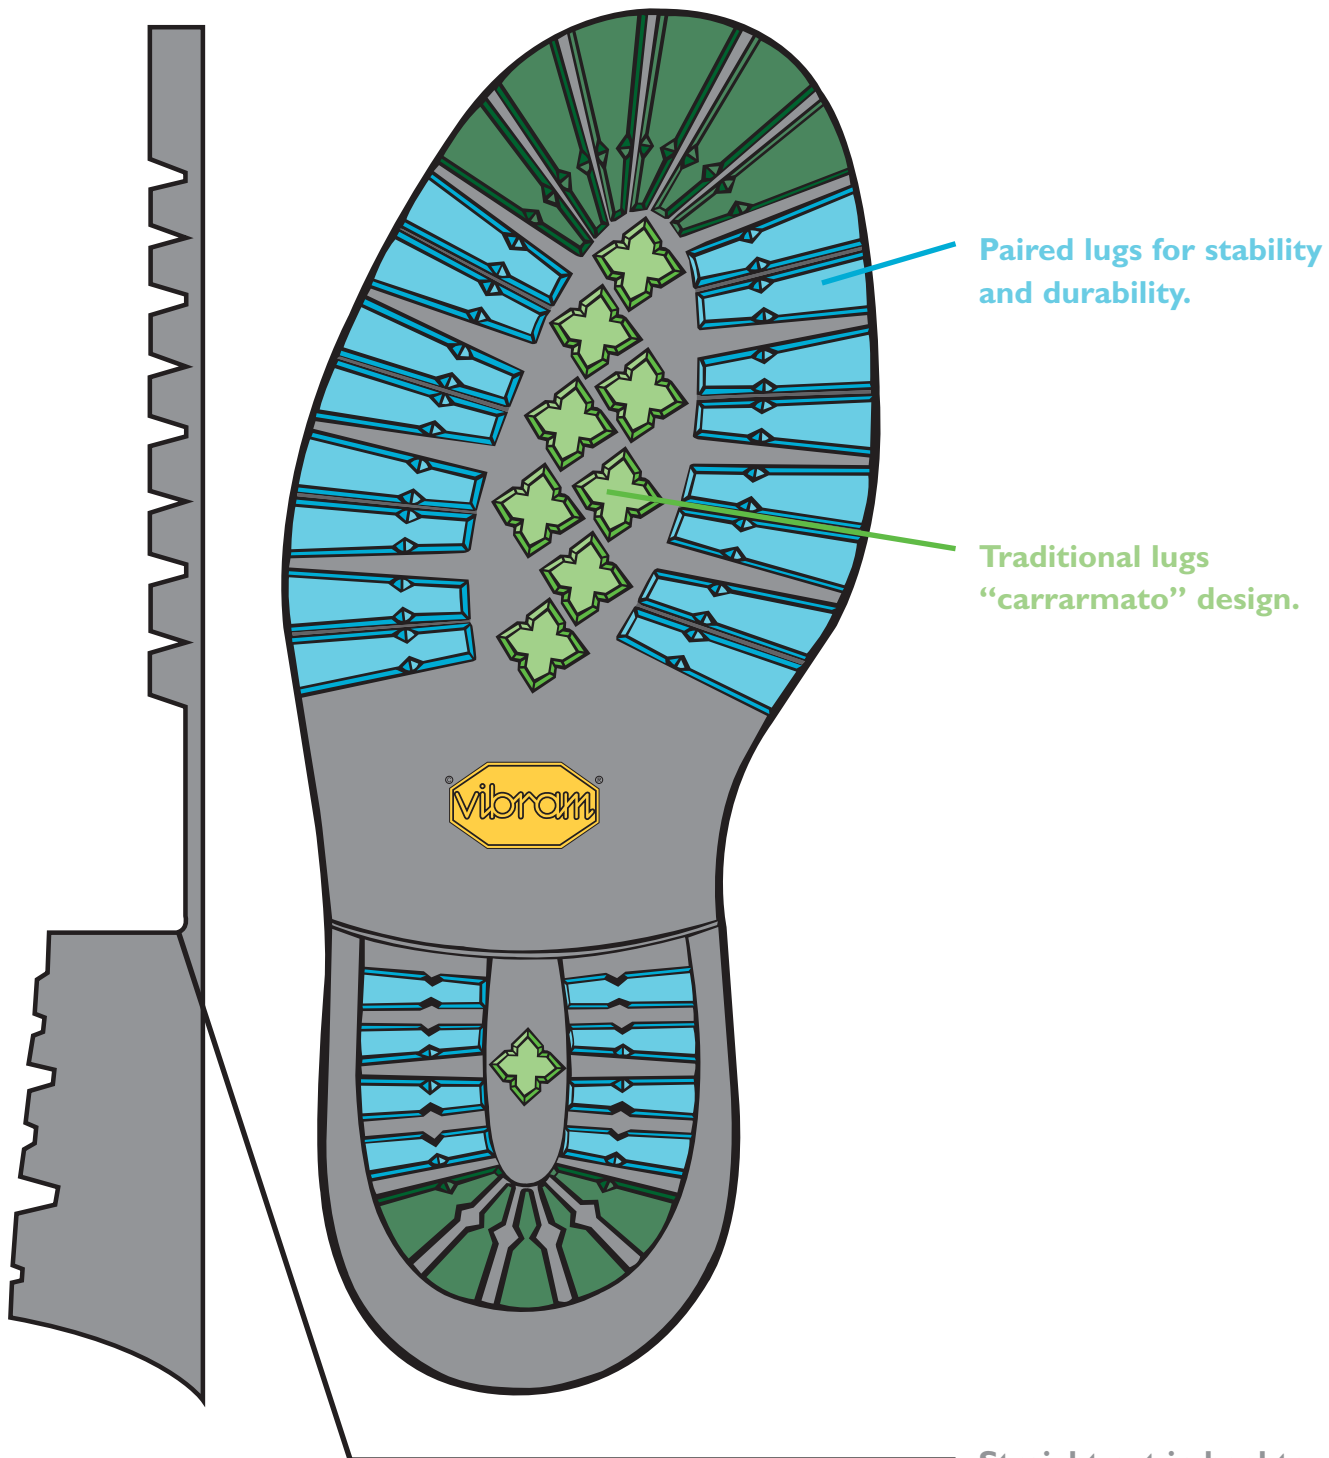

Lugs are angled to provide substantial edging capabilities. Center medallion of traditional carrarmato lugs provide maximum traction.

Compound

The exclusive Vibram compound guarantees maximum traction on wet/dry surfaces and various terrain. This compound maintains its physical properties in extreme temperatures. All compounds are developed and chosen by considering the sole design and end use of the intended footwear.

LOGGER SOLE

Vibram® yellow label trademark top quality compound.
