

MATAYUR[®] SOLE

Vibram[®] Style #1273

Matayur

The Vibram[®] Matayur is a composition blocker with self-cleaning capabilities for use on outdoor and work footwear.

Design

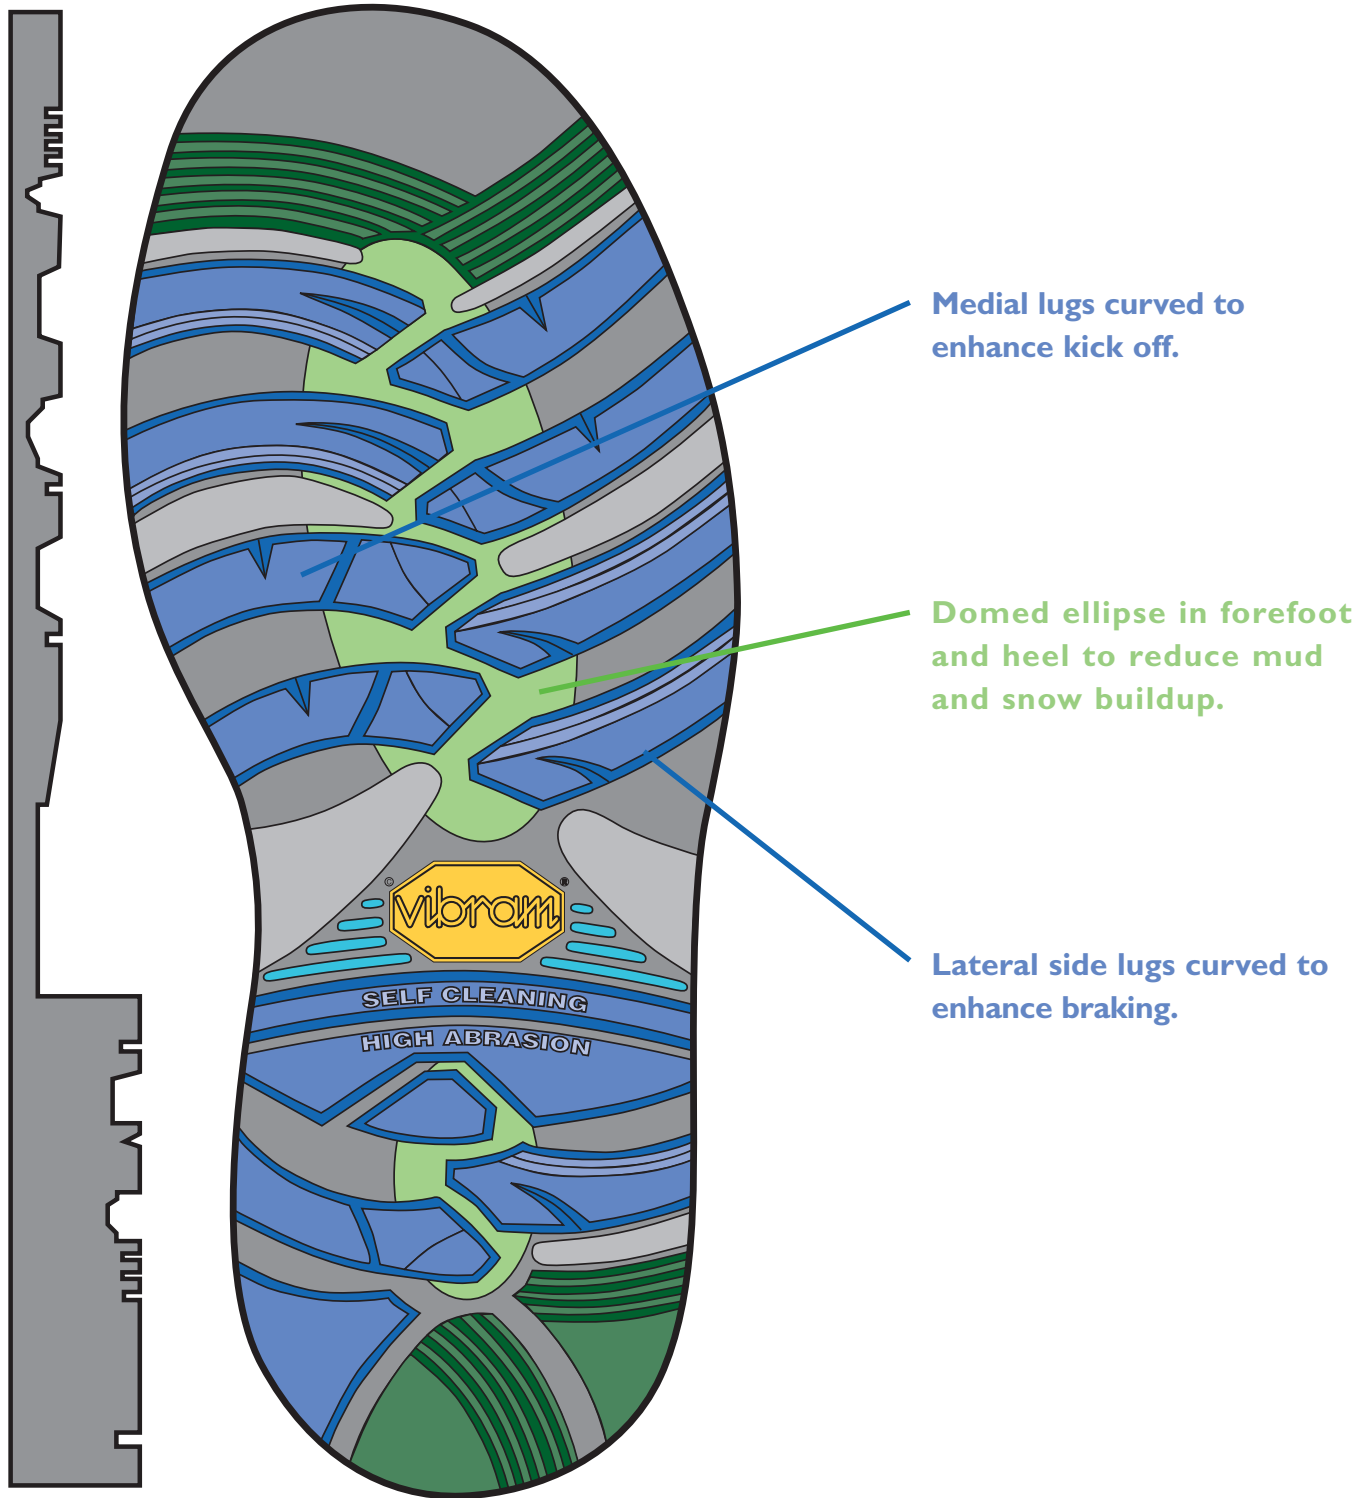

Curved lugs help promote self-cleaning. The special blending of lugs guarantees maximum traction on wet surfaces.

Compound

The exclusive Vibram compound guarantees maximum traction on wet/dry surfaces and various terrain. This compound maintains its physical properties in extreme temperatures. All compounds are developed and chosen by considering the sole design and end use of the intended footwear.
