

PORTLAND SOLE

Vibram® Style #1278

Portland

The Vibram® Portland is a composition blocker for use on rugged outdoor and work footwear.

Design

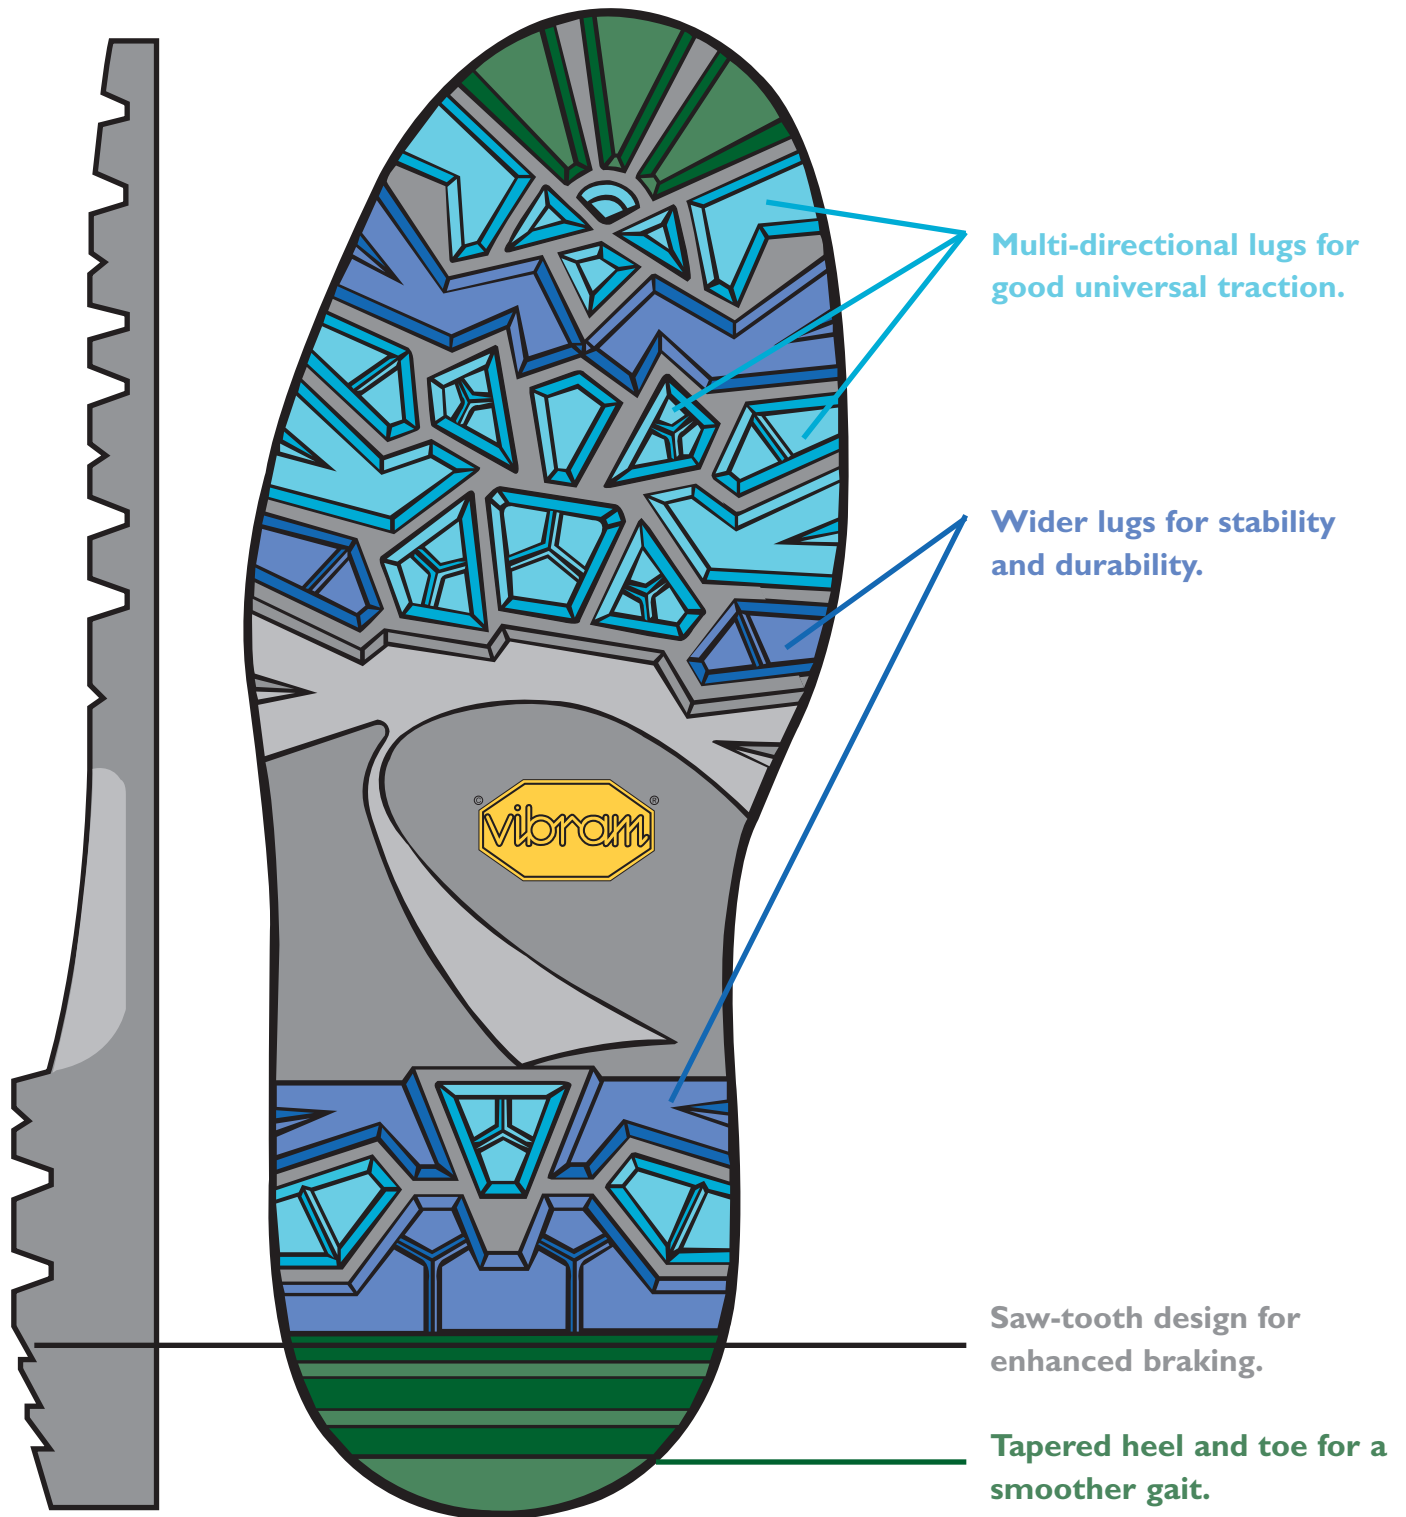

Multi-directional lugs provide push off, braking, and slip-resisting benefits.

Compound

The exclusive Vibram compound guarantees maximum traction on wet/dry surfaces and various terrain. This compound maintains its physical properties in extreme temperatures. All compounds are developed and chosen by considering the sole design and end use of the intended footwear.
