

KLETTERLIFT SOLE

Vibram® Style #148

Kletterlift

This sole is used with outdoor footwear specifically designed for comfort and durability.

Design

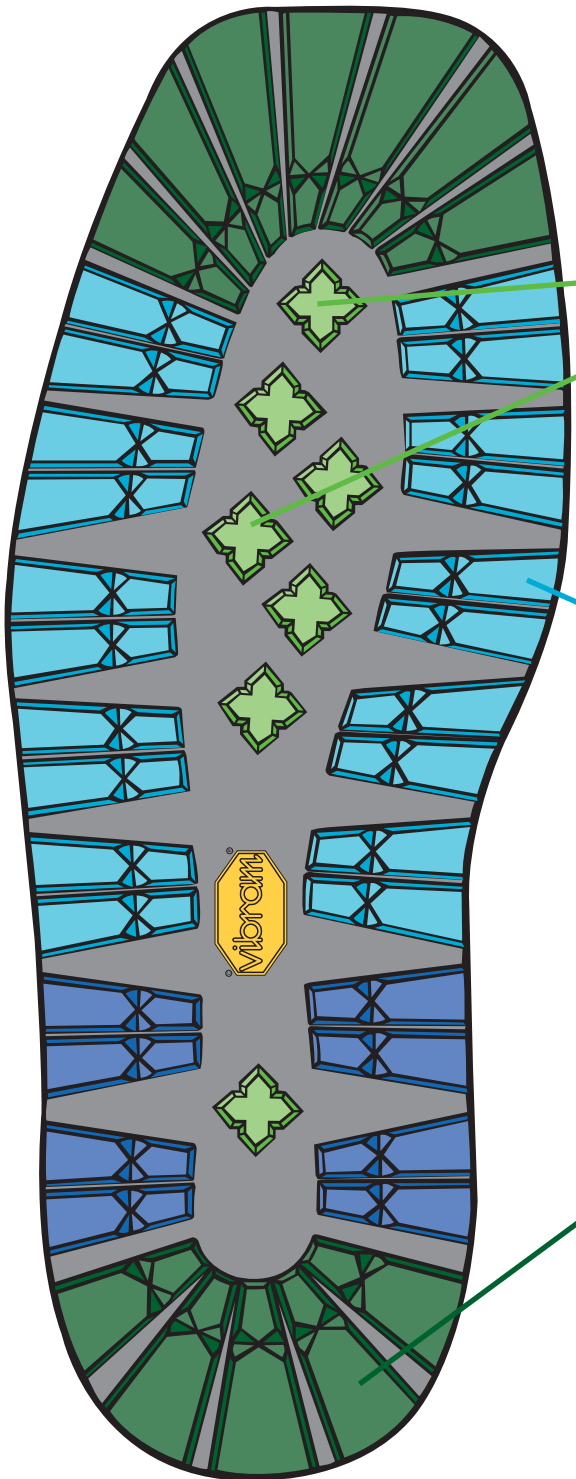

The heel, because it is built up with a micro-cellular wedge material, provides lightweight comfort as well as superb shock absorption. Consumers will be less likely to fatigue when wearing footwear with this sole.

Compound

The exclusive Vibram compound guarantees maximum traction on wet/dry surfaces and various terrain. This compound maintains its physical properties in extreme temperatures. All compounds are developed and chosen by considering the sole design and end use of the intended footwear.

KLETTERLIFT SOLE

Center medallion of traditional carrarmato lugs is designed to maximize traction.

Lugs are angled to provide substantial edging capabilities on both ascent and descent.

Lugs are angled to promote gripping and braking.

Vibram® yellow label trademark top quality compound.

VIBRAM® AND THE YELLOW OCTAGONAL LABEL ARE REGISTERED TRADEMARKS OF VIBRAM S.p.A. QUABAUG CORPORATION IS THE NORTH AMERICAN MANUFACTURER OF VIBRAM SOLING PRODUCTS UNDER EXCLUSIVE LICENSE.
